

NECPWA York February 2017 Newsletter

Happy New Year.

We start the monthly meetings on Thursday February 2nd at the Red Lion, Poppleton with a talk by Stewart Skillbeck. Stewart, a long time NECPWA member, will be talking about his work with Bonham's Auction House. The talk will commence at 8pm.

March's meeting will be the ever popular film show organised by Chris Berridge and will be held in Everingham Village Hall. Sandwiches and refreshments will be provided for which we would appreciate a donation. For catering purposes we would like an idea of numbers attending.

A couple of request have come in, the first from Spalding and East Ellloe Classic Car Club who are visiting the Scarborough area between 21st & 24th May and would like some ideas of places to visit, preferably classic car related. If anyone has any suggestions please email me.

The second is from Elin Shaw who is a film and television student at York University. They are looking for a classic car to be used in a film they are making between 6th & 12th February. The car will be stationary and used on one day. If anyone is interested please contact Elin Shaw directly on 07984586785.

A reminder that all our events are now on our website www.necpwayork.org.uk and you can download forms or enter online.

The BBC Programme the Wolds Way featured Tony Huntington and high bicycles and the second programme featured Sledmere House and Chris Berridge and his Crossley plus other members cars. If you missed it, you can find it on iplayer.

keep on motoring
Tony
